Welcome

Welcome to the Institute of Languages at the University of New South Wales. The Institute of Languages was established in 1966 and since then many thousands of international students have studied with us and either gone on to further study in Australia or returned home with new skills and understanding. We have also helped many thousands of newly arrived migrants to improve their English and settle successfully in Australia.

In addition to teaching English, the Institute of Languages offers courses in a variety of foreign languages and courses for people who wish to become language teachers. The Institute of Languages is also an official test centre for IELTS and TOEFL as well as a number of specialised language tests. Altogether, no other language centre in Australia offers as extensive a range of courses as the Institute of Languages.

The teachers at the Institute of Languages are dedicated professionals who will assist students to achieve their learning goals as quickly and effectively as possible. The teachers at the Institute of Languages use contemporary language teaching methodology, well designed courses and modern educational technology to provide the best possible learning experience for students.

The Institute of Languages also provides a range of support services for students including resources to promote independent learning, academic and welfare counselling, an accommodation service, an activities and social program, and access to the various facilities at UNSW.

We value our students and take pride in assisting them to achieve their goals. We aim for excellence and appreciate feedback which will help us to continually improve our courses and services.

On behalf of the staff of the Institute of Languages, I wish all of our students a happy and productive learning experience here at the Institute.

Mr Marc Weedon-Newstead

Certificates

Certificates are issued at the end of the final term of your studies with us. We cannot issue a certificate to students whose attendance is less than 80%. Certificates will indicate the level of your English study when you leave and the course(s) you have studied.

Teaching and Learning

- At the beginning of your course and when you move to a new level, you will receive a Course Outline which includes the learning outcomes for your course and information about the course assessment.
- You will have 2 or more teachers for your classes. Senior Teachers are responsible for the teaching program, course content and student progress. Your timetable includes contact information for a Senior Teacher.
- Depending on your course, your class may use a published textbook which students may buy or borrow for the term from the LSU (Learning Support Unit) or UNSW Institute of Languages Course booklets issued by your teachers.
- Additional online learning resources are available for all students in Moodle (the learning management system)
- You may use the independent learning resources in the Learning Support Unit if you have any study problems. Your class teachers, the Progress Senior Teacher or LSU staff will guide you to extra learning materials on-line or from the LSU.
English Language Test Information

IELTS, TOEFL and Cambridge tests are all internationally recognised as valuable qualifications. You may wish to enrol for one of the following tests at the Institute of Languages.

International English Language Testing System (IELTS)

UNSW Institute of Languages is an approved IELTS testing centre.

We offer students preparation for the IELTS test through our IELTS Test Preparation courses. The IELTS test is a globally recognised English language proficiency assessment designed to assess the English language ability of international candidates.

Test dates
Tests are normally offered on Saturdays, with some sessions on Thursdays. The Listening, Reading and Writing tests are all taken on the same day. The Speaking test can take place up to seven days before or after the other papers; speaking tests for Thursday tests will usually take place on the following Saturday. To register for an IELTS test, you need to submit your application form in person at Student Services on level 1 of the L5 building, at least five weeks before the test date.

Further information (dates, fees etc) is available on the UNSWIL website – www.languages.unsw.edu.au/tests/ielts

Test of English as a Foreign Language (TOEFL)

The UNSW Institute of Languages administers the TOEFL test. The TOEFL tests we offer are internet-based and these tests measure how well you read, listen, speak and write in English. You have to register online for this test. The TOEFL website is www.ets.org

Cambridge ESOL Examinations

UNSW Institute of Languages is an authorised Cambridge ESOL computer based testing centre.

The following computer based exams are offered in 2016:

- Certificate in Advanced English (CAE)
- First Certificate in English (FCE)

Further information (dates, fees etc) is available on the UNSWIL website www.languages.unsw.edu.au/tests/cambridge-english
2. Rules and Procedures

Attendance and Visa Rules

For students on Student Visas, the Department of Immigration and Border Protection (DIBP) requires the Institute to report on students’ attendance. Your visa is conditional on your attendance in class being no less than 80%. Any student whose attendance is less than 80% may be reported to DIBP. Those students may have their enrolment and visa cancelled and may be deported. Students who receive a warning email about their attendance should respond to it immediately.

Teachers mark attendance in every lesson according to the following:

<table>
<thead>
<tr>
<th>Marking of Roll</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>If a student is absent from the whole session for any reason: student is marked absent (A)</td>
<td></td>
</tr>
<tr>
<td>From 10-30 minutes late for a class session: student is marked late (L); 4 L = 1 A</td>
<td></td>
</tr>
<tr>
<td>More than 30 minutes late for a class session: student is marked absent late (A/L); 2 AL = 1 A</td>
<td></td>
</tr>
</tbody>
</table>

- Attendance is checked by the Senior Teachers every week.
- Students who are sick should obtain a medical certificate from a doctor and give a copy of it to Student Services as soon as they return to school.
- When a student is absent more than 5 consecutive days without approval or is close to a point where they may not be able to reach 80% attendance even if they attend every class, a warning letter is sent by email. The student then needs to speak to the Student Adviser or Head of Studies. The student may show documentary evidence (e.g. medical certificates) to explain the reasons for their low attendance rate.
- If the student’s attendance does not improve, a second warning letter is sent.

When the student reaches a point where achieving 80% attendance is impossible even if they attend class every day, they are informed by email that UNSWIL intends to report them to the Department of Immigration and Border Protection (DIBP) and are given 20 working days to access UNSWIL’s Complaints and Appeals process (see page 20 of this handbook).

- If the student’s appeal is unsuccessful, DIBP is informed and the student’s visa may be cancelled. Any original medical certificates should be kept by the student and may be considered by DIBP in deciding whether to cancel the student visa
- Further information about DIBP visa requirements can be found on www.international.unsw.edu.au/current/currentvisa.html
- Students who are reported to DIBP for unsatisfactory attendance may have their enrolment at UNSW Institute of Languages cancelled or re-enrolment refused and may not be accepted for the Foundation Studies Program.

Work Rights
Students on Student Visas are permitted to work up to 20 hours per week.

Tax File Number
Students can apply for a Tax File Number online at www.ato.gov.au. You will need this number in order to get a job.
Contact details
It is a DIBP requirement that students provide all contact details (address, telephone numbers etc) to the Institute office when you enrol.

Change of Address
It is a DIBP requirement that students must notify the Institute office at least 2 days in advance of any change in their residential address. Students should provide this advice in writing on a Change of Address Form, available from the reception counter and the Student Intranet or by logging on to the MyProfile section of www.my.unswglobal.unsw.edu.au

Email address
UNSW Global will use your email address to contact you about important matters concerning your enrolment, attendance and welfare. It is your responsibility to check your email regularly and to update your email information by logging on to the MyProfile section of www.my.unswglobal.unsw.edu.au.

Changing Schools
Students must remain with the same school for the first six months of their course in Australia. Permission to change schools will only be given in exceptional circumstances.

Refunds and Fees Policy
The UNSW Global Refunds and Fees Policy provides details of the circumstances in which students will be entitled to a refund of tuition fees. A copy of the Refunds and Fees Policy can be found on the UNSW Global website under ‘Our Policies’.
Student Conduct

The UNSW Student Code applies to all UNSW Institute of Languages students.

What constitutes student misconduct and the possible penalties that can be imposed on UNSW Institute of Languages students found guilty of student misconduct can be found in UNSW Global’s Student Misconduct Policy. A copy of the policy can be found on UNSW Global’s website under ‘Our Policies’.

Course Progress

UNSW Institute of Languages is committed to enabling and assisting students to reach their study goals within the expected timeframe. The progress of students is monitored, recorded and reviewed at the end of each 10 week study period.

If your grades are not high enough to progress as expected, the Progress Senior Teacher will contact you and discuss issues such as the reason for your course progress problem, study habits, a study plan, extra tuition or other strategies to improve your performance.

An intervention strategy may be put in place to assist you in your progress.

The class teacher or Progress Senior Teacher may refer you to online or LSU resources in order to improve your study skills and focus on problem issues.

Students with non-academic issues affecting progress may be referred to a Student Adviser for counselling assistance.

You may need to repeat a level in order to achieve the grades required to proceed to the next course level.

A Learning Plan may be put in place and you will need to agree to the plan in writing. This could include sessions with a Student Adviser, extra homework or repeating a level.

If your progress is unsatisfactory for two consecutive 10 week study periods despite intervention, you will be informed in writing of UNSW Institute of Languages’s intention to report you to DIBP. You will be able to access UNSWIL’s Complaints and Appeals process within 20 working days.

UNSW Institute of Languages full Monitoring Course Progress policy is available at:

Academic English Assessment Rules

- If you arrive more than 30 minutes after the scheduled commencement time you will not be admitted to the examination room.
- You may not leave your seat for any reason without permission. If you do leave the examination, you will not be re-admitted unless, during the full period of your absence, you have been under approved supervision.
- All answers must be written in English unless otherwise stated.
- Authorised materials: you are permitted to take pens, pencils, rulers and erasers into the examination room but are advised that all answers must be written in pen, except where expressly required. Pencils may be used only for multiple choice answer sheets, drawing, sketching or graphical work.

**Academic Misconduct**

You are reminded that UNSW Institute of Languages regards academic misconduct as a very serious matter. Students found guilty of serious academic misconduct in UNSW Institute of Languages courses can be excluded from future courses. Students who are excluded will not be issued with a Statement of Results or an accredited certificate. No portion of the fees will be refunded.

What constitutes academic misconduct and the possible penalties that can be imposed on UNSW Institute of Languages students found guilty of academic misconduct can be found in UNSW Global’s Student Misconduct Policy. A copy of the policy can be found on UNSW Global’s website under ‘Our Policies’.
Educational Adjustments
If your study is affected by your disability, you can register for educational adjustments to your exam timetable, or assistance getting to or in class, for example. To register for additional adjustments, make an appointment to see a Student Adviser at Student Services or email student.support@unswglobal.unsw.edu.au.

The Student Adviser will help you to register with the UNSW Student Equity and Disabilities Unit (SEADU) who will make recommendations to the Institute. The Student Adviser and SEADU do not disclose your disability to the Institute. For more information, go to www.studentequity.unsw.edu.au

Illness/Misadventure affecting assessment
If you are unavoidably absent, or believe your performance during an examination has been adversely affected by sickness, serious family concerns or any other reason, you should apply for consideration at Student Services on Level 1, on the form Illness/Misadventure Affecting Assessment.

The application should be made preferably on the day of the examination, but no later than three working days after the date of the examination. You should include all supporting evidence, e.g. medical certificates. The application for consideration of illness/misadventure is evaluated. In most cases one of the following actions is taken:

1. The application is noted, but no further action taken; if you were absent from the examination, a mark of zero, or an unsatisfactory grade is given.
2. Other assessment components are re-weighted at the end of the course, to arrive at a final grade.

Remarking and appeals process
Students may apply for a review of a result only after they have received their final grade. Students must submit an Application for Review of Examination Grades form available from Student Services on Level 1. This application must be accompanied by a fee, and received within one week of the date of issue of the final grade.

If a student wishes to apply for a re-mark of their grades, they need to indicate clearly which assessment task they would like to have re-marked, and attach the original assessment task (if possible) to the application form. The remarking process takes two weeks. If a grade is changed as a result of re-marking, the application fee will be refunded. In the event that a student remains dissatisfied with the remarking process, they have the right to lodge an appeal (see Complaints and Appeals).

Conceded Pass
If you do not achieve an overall passing grade but are deemed by the AE department to have a satisfactory academic standard you may be awarded a Pass Conceded. This allows you to continue with your study program. A Pass Conceded can only be awarded by an Assessment Committee comprising the AE Head of Studies and two AE Senior Teachers.
Information Technology (IT) Rules

Most classes are timetabled each week into the Computer Laboratory. Students may also access computers in the LSU and other computer laboratories in L5 outside class hours. See below and following pages for information and policy about information technology resources.

It is important that you do not

- give your password to another person
- use passwords which you are not authorised to have

4. Facilities and Services

Learning Support Units (LSU)

Each UNSWIL campus has a Learning Support Unit which plays an important part in your study at the Institute. In the LSU, you can choose what you want to study. There is a large collection of books, DVDs, CDs and computers to help you study. The LSU staff will explain how the LSU works and why self-directed learning is so important.

There is a photocopier if you want to copy something to study at home. You can borrow the reading books kept in the LSU. There are many interesting titles to choose from at all different levels.

Borrowing

By becoming a member of the library you can borrow some of the materials to help you study at home. The first time that you borrow a resource, the LSU staff will create a loan account for you.

If you do not return your books, this may result in your Course Certificate being withheld.

Internet Access and Wifi

While we acknowledge and respect your right to privacy, your Internet use will be logged for routine management of the computer system and random review of usage.

Wifi access is available to all students when you start your course.

Computer labs are available only to students enrolled in UNSW Global Programs. You must carry your student identification card at all times when using lab computers and check timetables on the doors before using the computers.

Access to Computer Labs

At L5 campus Anzac Parade Kensington there are several computer labs and other computer facilities throughout the building. In the R14 campus at King Street Randwick there are computer labs and other computer facilities on the ground floor and on the top floor (2nd floor). The labs are open from 8am – 7.45pm Monday to Friday.

Student Intranet

The Student Intranet has been designed specifically for use by UNSWIL students. The site is at http://my.unswglobal.unsw.edu.au and can be accessed at anytime from anywhere in the world.

As it is a secure site you must login using your login ID and password.

Notebook/Laptop usage

You may use your own laptop/notebook in classrooms, computer rooms and the student common room.

You should not plug laptop computers into network ports.
Printing and Copying Facilities

Each computer lab has its own ‘black & white’ laser printer. A colour printer/copier is located on the corridor outside room G20 and in the LSU in Kensington. There is also a colour printer/copier in the LSU, Room 24 at Randwick.

You can add money to your printing account by using the vending machines next to the colour printer/copier outside room G20 and in the reception area on the ground floor at Randwick.

NB the vending machine does not give any change and we cannot refund money left over at the end of your course.

Hints on Printing

1. Always preview your job before sending it to the printer.
2. The default print queue prints in black and white. Select a colour copier if required.
3. When you log in you should see a green box which indicates how much money you have in your printing account – if the value is less than 11c you will not be able to print.
4. When you print a document, a green box will pop up telling you how many pages will be printed and how much it will cost. If you are happy to proceed, click OK and your printing account will be charged that amount.
5. When you finish using the photocopier – press the Yellow “END” button on the card reader – this will make sure no one else can use your printing account.
6. Don’t try to print black & white using the colour copiers. It still costs 50 cents per page.

The amount of money remaining in your printing account is displayed:

- in the Green “PaperCut” dialogue box when you use a computer
- on the Card Reader on the photocopier

Copying

Each photocopier is fitted with a card reader. To use the copier:
1. Swipe your Student ID card
2. The card reader will display the available balance and unlock the copier for use
3. When copying is complete – press the yellow “END” button on the card reader to ensure your account is closed so that no one else can use it

The Language Laboratory

The Language Laboratory in the L5 building has 20 listening positions. Your teacher will select programs for your use and will listen and help you while you are practising.

5. Emergencies, Security, Health and Safety, Contacts & Maps

Emergencies on campus

Call Campus Security on 9385 6666 immediately to tell them what has happened.

For emergencies when you are not on campus, please call 000.

Emergencies include fires, serious illness or accidents or serious crime, and will require the Fire Brigade, Police and/or an Ambulance. If you discover an emergency situation, you should raise the alarm immediately and get help from the people around you.

If the fire alarm goes off in the building, follow the instructions given, and evacuate the building if you are instructed to do so. The alarm may be sounded by a bell, or siren, depending on which building you are in. Most buildings operate using an Early Warning Intercommunication System (EWIS), and have a 2-stage alarm system:

- The first alarm (beep beep) is to notify you that you need to be prepared to evacuate the building if necessary. If you are using a computer or other equipment, turn it off when you hear this noise.
- The second alarm (whoop whoop) tells you that it is necessary to evacuate the building. Leave the building using the nearest EMERGENCY EXIT. Follow your teacher to the assembly area outside, and keep a look out to make sure all of your classmates are with you.
- If you hear the fire alarm – DO NOT PANIC - evacuate the building as follows:
  - Leave the building by the shortest possible route
  - DO NOT USE LIFTS
  - Follow the directions of the Chief Warden (wearing White Hats) Wardens (wearing Yellow Hats) and Security Officers – obey all instructions they give you. First Aid Officers will also be present and will be wearing Green Hats
  - Go to the Assembly Area allocated to your building (this location can be found on the ‘Evacuation Procedure’ signs inside all buildings)
  - DO NOT wait in groups around doorways
  - DO NOT distract Wardens and Security Officers while they are supervising evacuation
- Wait in the Assembly Area for more instructions from Wardens and Security Officers or the Fire Brigade. Your teacher will mark the class roll to make sure all students are present
- DO NOT go back into the building until you are instructed to do so by the Fire Brigade, Wardens or Security Officers
- NEVER go into a building if you can hear an alarm sounding
- Designated Floor Wardens will direct the assistance of persons with disabilities to leave the building

Know where the Fire Exits and Emergency Assembly Points for your building are. Never put yourself in a situation that places you or other people at risk of injury or worse. If it is safe to do so, assist others, especially if you know someone who has a disability.

UNSW Security

Phone 9385 6666. Up to date information: www.facilities.unsw.edu.au/security-safety

Help Points

‘Help Points’ are installed across UNSW campuses to help ensure the safety of students, staff, and visitors.

A Help Point is a telephone line that is linked directly to the Security Control Centre (activated by pressing the red button) and has a speaker, a blue light on top and a camera that turns on when the button is pressed.

Our online Campus Maps show you where the Help Points are located on all UNSW campuses. To print your own copy of Campus Maps - www.facilities.unsw.edu.au/getting-uni/campus-maps
What help can you expect from UNSW Security Services?

If you are a victim of crime while you are on or around the University Campus, you should contact Security Services immediately.

Alternatively, you can speak to a Student Adviser (located on Level 1 of the L5 Building) who can help you contact Security Services. Security Services and the Student Advisers will help you to report your incident.

They will also encourage you to report crime to the NSW Police. If you are threatened, call 9385 6666, or use the free-call number 1800 626 003. Please report any suspicious individuals or activities, incidents or crime to Security Services on 9385 6666.

Students may also be referred to specially trained people on campus such as the Student Counselling Service.

Crime prevention and reporting

If you see:
- Something apparently being stolen – report it to Security!
- An unlocked motor vehicle in a car park - report it to Security!
- A door that shouldn’t be open - report it to Security!
- The Police can be contacted through the Security Control Room – call 9385 6666.
- And remember:
  - Always lock away your handbag or wallet.
  - Don’t leave valuables or items of University equipment where they could be easily stolen.

It is important for us as a community to be aware, work together and take care. Any information you give to UNSW Security will be treated with respect to your privacy.

Please report any suspicious individuals or activities, incidents or crime to Security Services on 9385 6666.

Personal Safety

Personal safety on and around campus
Students should take care and be alert when they are travelling on and around the UNSW Kensington Campus, Randwick Campus and L5 building, as crime can happen at any time of day.

A few simple steps to keep yourself safe:
- It is not a good idea to carry around large amounts of money. Try to pay large bills (such as course fees) by EFTPOS or credit card. When withdrawing money, do not let anyone see your PIN, and do not carry your PIN around with your credit cards. Never tell anyone your PIN.
- If you carry a purse or handbag, hold it under your arm or in front of you. Never leave it unattended. Do not leave your purse or bag on the floor in a public toilet cubicle or at a restaurant or café. Do not leave valuables in your desk drawers.
- If you are using your wallet, put it in a jacket or front pocket instead of your bag. If your bag gets stolen, then your wallet will be safe.
- If your bag or wallet is stolen, don’t forget to cancel your credit cards, EFTPOS card and Student Identification card. You should also immediately contact UNSW Security and the NSW Police.
- LOST/FOUND Property can be checked at the FM Assist office on Level 2 of the Mathews Building, and also at Student Services, Level 1, L5 building.
- If you are on campus at night walk in areas that have lights and use paths such as University Walk, which is patrolled by Security Officers.
- Try to walk in groups or pairs and arrange to walk home with friends.
- If you see any lights that are not working, report them to Security (9385 6000).
- Free Unibeat Escorts are available to students between 6pm and 6am, 7 days a week, every day of the year.
- Unibeat staff can travel with you from a building on the main campus to car parks, bus stops, taxi ranks or a limited local area around the UNSW Kensington Campus. Services are available from 6pm - midnight. After this time, UNSW Security Response Officers are available to travel with you.
- You can request an escort from: The Security Control Room (call 9385 6000 or 1800 626 003) Any phone in a lift Any Help Point
- Use the free Security Shuttle Bus Service which operates on weeknights between 7pm and 11.30pm during UNSW Semester.
  - Contact Security (9385 6666) for a Unibeat Escort if you feel unsafe.
In your day-to-day life, you should always try to follow these personal safety tips:

- Always carry enough money for a taxi or telephone call.
- Have your keys ready before you get to your home or car.
- Carry a personal alarm or whistle if you have reason to feel unsafe.
- Where possible, park your car in a busy, well-lit area.
- **Always** lock your home and car when you leave them.
- When out at a club or event, check your valuables into a cloak room if possible. Never leave your drink unattended.
- If you ride a bicycle, you **MUST** wear a helmet and have lights on your bike. It is regulation to wear a helmet, and it is for your **own protection**. Familiarise yourself with the NSW and rules for bike riders

- If someone in a car threatens you, run in the opposite direction the car is facing.
- If attacked, shout as loudly as you can.
- Never take short cuts through parks or vacant lots.
- Walk with confidence.
- Be careful of strangers asking for direction – it is better to be rude than in danger.
- If someone follows you, change direction and go somewhere where there are other people around.
